

Home Academic Practice Online Guide

Directions: How to Access Online Resources

March 19, 2020

STEP ONE: LOG INTO CLEVER

Mastery uses Clever to provide a one-stop portal where you and your child(ren) can access all the Home Academic Practice online resources. Follow these steps to access your student's resources:

1. Go to your Portal:

- Mastery Charter Schools PA Site: <https://clever.com/in/mastery-charter-schools-PA>
- Mastery Schools NJ Site: <https://clever.com/in/mastery-charter-schools-NJ>

2. Log in with the info below OR your student's school ID (which has a QR code)

Option 1: Username and Password

- Username: Initials + Student ID (Example: FL123456)
- Password: Initials + "-" + Birthday in YYYYMMDD format (Example: FL-20081101)

Option 2: Using your child's school ID which has QR code (NOTE: your device must have a camera to use this feature)

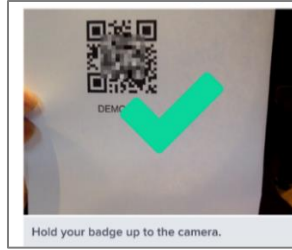

- Select Clever Badge Log-in

- Your internet browser may ask you to allow clever.com to use your device's camera. Select 'Allow'.

- Hold your Badge to your camera

CONGRATULATIONS – YOU ARE IN!

You should now see the following applications under Home Academic Practice based on your student's grade level. Please reach out to your Home Academic Practice teacher if you experience any log-in issues. You can now self-select which activities you/your child engages in. Consider first exploring each website. Ideally, your child is working on activities that are familiar yet challenging. Mastery will be providing recommended units of study by Friday, 3/27. For now, explore, engage and work hard! The goal is approximately 3 hours daily of reading and online learning.

STEP TWO: NAVIGATE TO ONLINE LEARNING APPS

Through Clever, you can access a number of online resources that Mastery has reviewed and approved. Here is a summary:

Academics: K-2

- [Reading Eggs](#)
Reading Eggs is an online reading resource that is accessible by smartphone, laptop or any internet-capable device. The program provides reading activities and games designed to reinforce and teach new reading skills in a joyful and engaging manner.
- [Zearn](#)
Zearn is one of the nation's top-rated math online learning resources. It is accessible by smartphone, laptop or any other internet capable device. The program is aligned to Eureka Math, the math program we use at all Mastery schools.

Academics: 3-12

- [CommonLit](#)
CommonLit provides an abundance of great fiction and non-fiction readings and practice. It is accessible by smartphone, laptop or any other internet capable device. The program is aligned to Mastery's 3-12 ELA/Lit curriculum and offers something for every child's interest.
- [Zearn \(grades 3-5\)](#)
Zearn is one of the nation's top-rated math online learning resources. It is accessible by smartphone, laptop or any other internet capable device. The program is aligned to Eureka Math, the math program we use at all Mastery schools.

- [Khan Academy](#) (grades 6-12)

Khan Academy is a website with rich math online education tools that includes short video lessons and practice exercises. It is accessible by smartphone, laptop or any other internet capable device. The program is aligned to NJ and PA state math learning standards.

Here are the icons of these programs:

<p><u>KINDERGARTEN, FIRST AND SECOND GRADE</u> Home Academic Practice</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Zearn</p> </div> <div style="text-align: center;">  <p>Edmentum - ReadingEggs</p> </div> </div>	<p><u>THIRD, FOURTH, AND FIFTH GRADE</u> Home Academic Practice</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>CommonLit</p> </div> <div style="text-align: center;">  <p>Zearn</p> </div> </div>
<p><u>SIXTH THROUGH TWELTH GRADE</u> Home Academic Practice</p> <div style="display: flex; justify-content: space-around;"> <div style="text-align: center;">  <p>Khan Academy</p> </div> <div style="text-align: center;">  <p>CommonLit</p> </div> </div>	

Finally, Here Are Resources For Books for Your Child’s Daily Reading

- The [Libby app](#) lets anyone with a library card borrow books for 14 days. A one-pager is attached on how to use Libby and sign up for a library card online.
- [Openlibrary.org](#) has a large (and free) database of titles that you can either read online or download via PDF.
- **Scholastic** is releasing daily books with corresponding videos and activities. All can be accessed [here](#).
- **Storyline Online** has a library of famous people like Al Gore, Rashida Jones, etc. reading [children’s books](#) (K-5) aloud that can be viewed for free via Youtube and Vimeo.

ENJOY & HAPPY LEARNING!!!
