

Safety is Our Priority

If You're Sick, Stay Home!

- Have you been within 6 feet of a person with a confirmed case of COVID-19?
- Do you have a fever of 100F or above?
- Do you have a cough, chills, muscle aches, sore throat, nausea, vomiting, diarrhea, or headache?

Social Distancing

- Students and staff must keep 6 feet of physical distance at all times
- No more than 15 students in each classroom at a time
- Meals may be served in classrooms to limit large group gatherings

Personal Protective Equipment ("PPE")

- All students, staff and guests must wear an approved mask (that fully covers the nose and mouth) while traveling to school by bus and on school grounds
- Families should purchase masks for their students. Masks will also be available at school if needed.
- Students will be provided with reusable water bottles and bottle-refill stations will be available

Handwashing & Hygiene

- Hands should be washed with soap for 20 seconds and/or sanitized regularly
- Hand sanitizer will be available upon arrival to schools

Health Screening

- Staff and students should self-monitor for COVID-19 symptoms and if sick, they should stay home
- Student temperature checks will be conducted daily
- Every school will have a nurse on staff
- Children identified as sick must be picked up ASAP and may not travel home by bus.
- Schools will have a monitored Quarantine Area for students showing symptoms of COVID-19

Cleaning & Facilities

- Additional cleaning staff have been hired at all schools to disinfect high-touch surfaces every two hours
- Signs and other visual tools will be installed to help students maintain social distancing
- Plexiglas barriers have been installed at the Front Desk and may be used in other locations of the school as necessary
- School ventilation and increased air circulation is being prioritized at each school building, including increased filter replacement in schools with central HVAC units and fans and open windows in schools with more localized space air conditioning
