

ATTENDANCE = SUCCESS at Mastery

Why Attendance Matters

Showing up for school daily is one of the most crucial steps a student can take toward achieving long-term success. Every school day counts, and missing even a few days can hinder academic progress.

HERE'S WHY IT MATTERS:

Students who end their 9th grade year with **90% attendance or more** are **4X MORE LIKELY TO GRADUATE FROM HIGH SCHOOL.**

83% of K-1 students who miss fewer than 5 days CAN READ ON GRADE LEVEL BY THE 3rd GRADE.

How You Can Help

- Schedule **dental & medical** appointments **outside of school hours**.
- **Only keep your child home** when they are **truly sick**.
- Establish a **daily routine** with your student to promote a consistent bedtime & morning schedule that ensures they arrive at school on time.
- Monitor your student's attendance on the **Home Access Center (HAC)**.
- **Celebrate success!** Reward your student when they reach important milestones.

Academic success starts with attendance

Mastery Attendance Policy

At a Glance

Submit excuse notes within **three days of an absence.**

Only **three parent-written notes** will be accepted per report period.

Students with **35+ total absences** may be required to attend **summer programming.**

Early dismissal must be requested in writing & approved in advance.

High school students with **9+ absences in a course per report period** will automatically receive a grade of **50** for that class.

Students with **12+ unexcused absences** in a school year may be referred to the **Regional Truancy Court**, as per state guidelines.

Let's celebrate weekly attendance!

Showing up adds up.

Fill in a star each week you make it to school every day, on time!
